

We are allowing patients to show us what their comfort level is for their appointment. If a patient chooses a green pin then our staff will not wear a mask as we have all been fully vaccinated. If we have anyone in our waiting room with yellow or red then everyone will wear a mask. The photo below shows how the pin system will work.

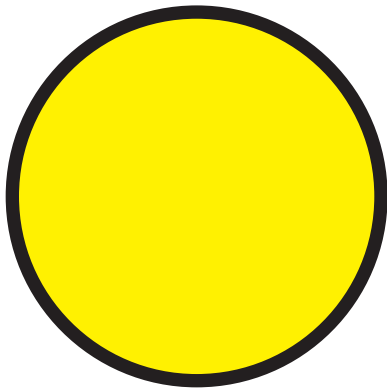

Mask Mandate is OVER!

Now what?

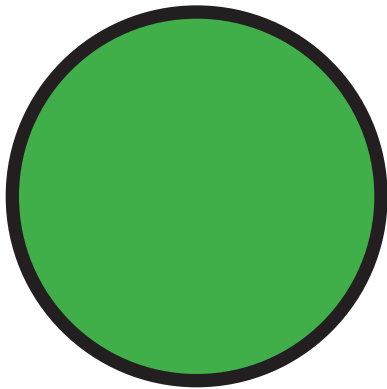

**Pick a pin and show us what
your comfort level is:**

**Continuing to social distance
and wear a mask.**

**Continuing to be cautious.
Please either social distance
or wear a mask.**

**I meet the CDC requirements
and no longer need a mask.**

**Hearing
Wellness Center**
